Staff Favorite Things!

If you/your student are ever looking for ideas for a BSMS teacher/staff member to give them a little surprise, a dose of encouragement, a token of thanks, etc. BSMS PTO has a Staff Favorites 2022/23 electronic document we are happy to share.

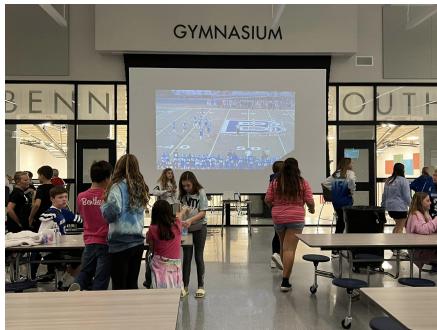

You may request a copy of a staff member's favorites page by emailing bennsouthmspto@gmail.com. Simply type "Request for Staff Favorites" in the subject line and be sure to include the name(s) of each staff member for which you'd like an electronic copy of their list(s). This is a great resource as we enter the month where we place a special focus on thankfulness and giving...and celebrate each week in November with Thankful Thursdays! Thanks in advance for loving on our a.ma.zing BSMS Teachers & Staff!

Bennington South Middle School Building Dedication

Sunday, October 16th's BSMS Building Dedication was a great event to formally welcome the 2nd middle school into our growing Bennington community! THANK YOU to all in attendance, as well as the BSMS students who participated in the program and shared their talents.

Sunday's festivities carried over into Monday with each grade jumping in for a quick picture with the congratulatory yard signage before enjoying their own individual "ribbon" to commemorate the weekend's Ribbon Cutting / Building Dedication ceremonies.

BSMS PTO was excited to support the 16th with cookies + refreshments for attendees + yard signage and the 17th with commemorative treats for each student.

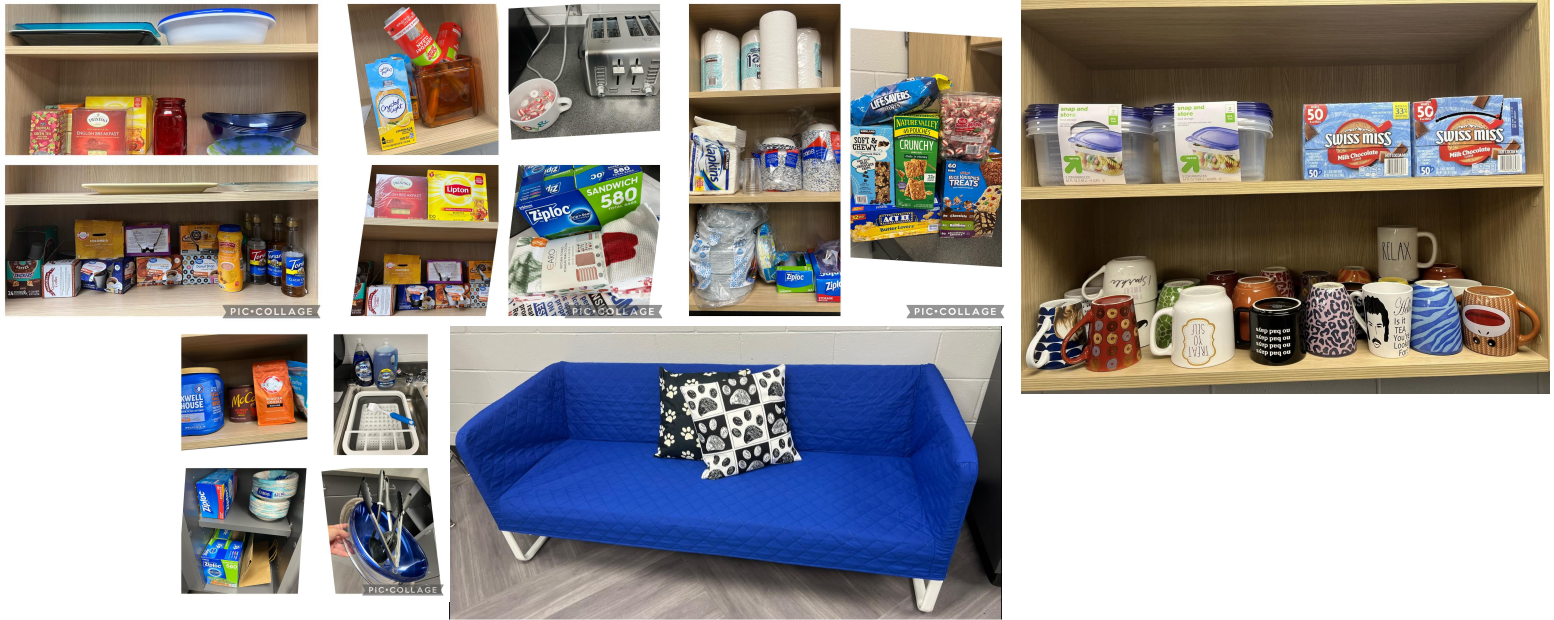

We love finding ways to support BSMS and are so thankful for those who generously join + donate to BSMS PTO!

Staff "Loungewarming" Project Complete!

Extending a BIG THANK YOU to all who donated to our BSMS Staff "Housewarming Gifts" initiative to cozy up and outfit the staff lounge! It looks great and we know the teachers + staff appreciate having a place to stop in throughout the day that allows them to recharge, reheat, refresh, rejuvenate, regroup, and/or recaffeinate!

Thanks to all who support BSMS PTO! You make initiatives like this possible!
